In support of the Alliance mission, membership is available to companies and strategic partners agree to provide guidance, expertise and personnel, in an active but voluntary capacity, to ensure it’s continued success and development.

Membership is available to companies and NGOs that employ 50 or more people in the State of Rhode Island, as well as trade associations and chambers of commerce that have 50 or more Rhode Island members.

Strategic Partnership is available to Public sector organizations that support the mission and objectives of the Alliance with information, people and/or resources.

Member benefit highlights:

- Quarterly membership meetings and on demand communications
- Timely emergency situation reports
- RIABR.org website including member community forum
- Involvement in the State Emergency Operations Center (ESF18)
- Networking with fellow business continuity and resilience professionals
